Application form

Pension Annuity

Once you've completed this form, please return it to:

Legal & General Retirement PO Box 809 Cardiff, CF24 0YL

This application form is for a Legal & General Pension Annuity. You can only apply once you have received a guaranteed quote. You can't apply with a verbal or indicative quote (an indicative quote has the reference 'IND' at the start). Please provide below the guaranteed quote reference number(s) you wish to accept. We are unable to process your application without this information.				
The annuity rate used in your quote is guaranteed for a limited period. For this rate to apply, we must receive your completed application and the money from your pension pots(s) before the date shown in your quote. If we receive your application or the money after this date, the rates available at the time will apply. Where are the funds coming from to buy this annuity? Please tick one of the following options:				
 Open Market Option (with benefits subject to the rules of the originating scheme). We will not pay any tax-free cash sum. Please complete all sections. 				
Transfer of funds to the Legal & General Retirement Pension Scheme (followed by immediate retirement under the rules of our scheme).				
If we are responsible for paying a tax-free cash sum, we will pay this at the same time as we set up the pension annuity. Please complete all sections.				

The personal information collected from you will be shared with fraud prevention agencies to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance, or employment. Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found on **legalandgeneral.com/cifas**

You could miss out on extra income that you are entitled to if you have a medical condition you do not tell us about. In some cases the amount could be significant. If you have a medical condition you haven't already told us about please contact us before continuing with your application.

Notes for the member about this application

1. Proof of identity:

- A copy of the deed poll if you have changed your name by this means.
- Confirming your identity to protect you and us from financial crime, we may need to confirm your identity from time to time. We may do this by using reference agencies to search sources of information about you (an identity search). This will not affect your credit rating. If this identity search fails, we may ask you for documents to confirm your identity.

2. For taxation purposes please enclose:

P45 for this tax year, if applicable (without this, a temporary tax code, which is confirmed by HM Revenue & Customs, will be applied to your payments until we receive confirmation of your correct code). The P45 will not be returned to you. If we make payments before receiving confirmation of your tax code, and later learn that you have paid too much tax, we will return the overpaid tax to you by adjusting the next instalment of your annuity.

3. What needs to be signed and dated:

 The declaration must be signed and dated by the person who we'll be paying the income to. Where the annuity is to be purchased on the open market by the trustees of a pension scheme, the trustee or administrator must also sign and date the declaration. The declaration should also be signed by the spouse, registered civil partner or dependant if medical information has been supplied for this person.

4. Information you should note:

 You need to make sure any medical information you give us is both accurate and complete so that we can pay you the maximum level of income you're entitled to.

- Once your income starts we may request additional medical information to ensure that you are receiving the correct annuity income. These requests may include one or more of the following: a report from your doctor, a short medical screening with a nurse or a simple saliva test (to confirm smoking status – if applicable).
- If this additional medical information differs significantly from that given to us previously, we may increase or decrease your payments in line with this, to ensure you are paid the correct amount.
- For transfers into our Retirement Pension Scheme, the maximum tax-free cash sum is 25% of the value of the fund. The only exception to this is if you are entitled to a higher tax-free cash sum by registering with HM Revenue & Customs for enhanced protection.
- All transfers will be administered on the basis that they are not part of a block transfer. Please refer to HMRC's Registered Pension Schemes manual for further information on block transfers.
- We will not make a payment under this contract to anyone except to you or the scheme trustee/ administrators. In the event of your death, and depending on the options you have chosen, payment can only be made to your spouse or registered civil partner; named dependant; or a beneficiary. This is to receive any income or lump sum from any guaranteed minimum payment period or value protection; or your estate.

If you have chosen to pay an adviser charge from your lump sum or fund, we will pay this on to your financial adviser when we set up your annuity.

You must have a permanent National Insurance number.

7. Lump Sum Allowances

Understanding the rules around the Lump Sum Allowance and the Lump Sum and Death Benefit Allowance is important because if you provide incorrect or incomplete information you may become liable to a tax charge.

The Lump Sum Allowance covers:

- any tax-free lump sums taken before 6 April 2024
- any tax-free lump sums you have already taken since 6 April 2024
- the tax-free part of any UFPLS taken since 6 April 2024
- any tax-free cash that you are about to take.

The Lump Sum and Death Benefit Allowance covers the above items and also includes serious ill-health lump sums taken since 6 April 2024.

If you are unsure how to calculate the value of your benefits, please refer to your financial adviser/intermediary or current provider(s).

- 1. Are you about to take a tax-free cash sum that takes you over the current standard Lump Sum Allowance of £268,275?
- 2. Are you about to take a tax-free cash sum that takes you over the current standard Lump Sum and Death Benefit Allowance of £1,073,100?
- 3. If 'Yes' to either question, do you have any protection in place against the Lump Sum Allowance or Lump Sum and Death Benefit Allowance?

If 'Yes', please enclose a copy of your protection certificate with this application. We may require additional information from you at a later date.

Please do not send the original certificate to us.

If you have answered yes to either question 1 or 2 of this part of the application form and do not have any protections in place, please call us to discuss your options.

8. Declaration

Please remember that it is a serious offence to make false statements; the penalties are severe and could lead to prosecution.

To my current provider(s)

I would like to take benefits from the plan(s) listed in Part 6 of this application.

I authorise Legal & General, my current provider and any financial adviser/intermediary named in this application to obtain from each other, and release to each other, any information that may be required to enable the transfer of funds to Legal & General.

I accept that in order to comply with regulatory obligations, Legal & General and my current provider(s) named in this application may need to verify my identity and residential address, and may use credit reference agency searches and ask for my documents to verify my identity and address.

I authorise and instruct you to transfer the funds from the plan(s) as listed in Part 6 of this application directly to Legal & General, and to provide any instruction and/or discharge required by any relevant third party to do so.

Until this application is accepted and complete, Legal & General's responsibility is limited to the return of the total payment(s) to my current provider(s).

When payment is made to Legal & General as instructed, this means I shall no longer be entitled to receive pension benefits from the whole of the plan(s) listed in Part 6 of this application where the whole of the plan(s) is transferring, or that part of the plan(s) represented by the payment(s) if only part of the plan(s) is transferring.

I confirm that I have not received financial advice from Legal & General about purchasing my Pension Annuity.

Only for applications relating to Open Market Options or Trustee purchase

I authorise and instruct you to pay me any tax-free cash sum as indicated, to pay the balance of my pension pot(s) to Legal & General to provide me with an annuity based on the features set out in the accepted quote(s) referenced on the first page of this application, and to provide any instructions and/or discharge required by any relevant third party to do so.

Only for applications relating to transfers into the Legal & General Retirement Pension Scheme for immediate vesting

Please transfer the fund(s) listed in Part 6 of this application to Legal & General.

Where you have asked me to give you the original policy document(s) in return for the transfer of funds and I am unable to do so, I promise that I will be responsible for any losses and/ or expenses which are the result, and which a reasonable person would consider to be the probable result, of any untrue, misleading or inaccurate information deliberately or carelessly given by me, or on my behalf, either in this form or with respect to benefits from the plan.

To my current provider(s) and Legal & General

I confirm that any Adviser Charge paid on my behalf by my current provider or by Legal & General on the initial set-up of this annuity:

- is wholly connected to the purchase of this annuity; and
- is appropriate to the advice and service my adviser provided me in relation to this annuity purchase.

If this is not the case then some or all of the Adviser Charge and any tax-free cash may become liable to a tax charge, which I may be responsible for.

I confirm that I have provided only true and accurate information in applying for this transfer. I understand that my current provider and Legal & General cannot accept responsibility, and are not liable, for any losses resulting from untrue, incorrect or misleading information that I provide, or from any failure on my part to comply with any aspect of this application.

Where I have chosen to take tax-free cash, it is not my intention to make, either directly, indirectly or by someone making contributions on my behalf, a significant* increase in my total expected contributions to registered pension schemes.

* A significant increase is where:

The total tax-free cash you receive in the 12-month period ending on the day the tax-free cash from this plan is paid exceeds £7,500, and more than 30% of the total tax-free cash is used to make contributions to one or more registered pension schemes which exceed the expected level of contributions. This includes any contributions you pay directly or indirectly, paid by someone on your behalf such as your employer, or which you may have paid in anticipation of receiving the tax-free cash. This is known as `recycling'. Please see section PTM133800 of HM Revenue & Customs' Pension Tax Manual online for more information.

To Legal & General

Only for applications relating to transfers into the Legal & General Retirement Pension Scheme for immediate vesting.

The scheme administrator on behalf of the provider agrees to administer the scheme in accordance with the scheme rules.

I authorise Legal & General to accept the transfer value and agree that on receipt of the transfer value, Legal & General will apply this sum to a Personal Pension Plan.

For all applicants

I confirm that to the best of my knowledge my answers are full and accurate. I agree that my chosen quote and the information contained in this application, plus any medical information provided separately, will be used to determine the benefits to be paid and if any of the information is found to be incorrect my benefits may be adjusted accordingly. No benefits under this policy are capable of assignment, surrender or commutation except as provided in the relevant legislation and subject to the agreement of Legal & General Assurance Society Limited.

I have read guidance from the Financial Conduct Authority or the Pensions Regulator on the risks and warning signs of pension scams before making this application.

If I have been contracted out under my current plan, then I agree to Legal & General calculating the part of the transfer payment to be treated as relating to contracted-out benefits, if this information is not provided.

If the total gross contribution(s) paid into any Registered Pension Scheme(s) exceed my Annual Allowance, I will inform HM Revenue & Customs. I agree that where a tax charge does arise, any of the funds used to purchase this annuity will not be available to pay that charge.

If the doctor does not let me see any part of a report, he/she must notify me of that fact.

I confirm that I have been advised of my rights under the Access to Medical Reports Act 1988.
