How to complete your application

When completing this application form, please ensure you answer all appropriate questions. The following form, that is available on request, may be required to provide additional information to this application: **Potential Property Investment Details**.

Please read the notes below carefully before filling out this application form - they will help you complete it more easily and accurately, and so will help speed up the processing of your application.

- Please use BLOCK CAPITALS in all of your answers.
- To help you, we've included important information in the left-hand column.
- If you make a mistake, correct the error by crossing out (do not use correction fluid) and initialling the change.
- Please note, we cannot accept a transfer payment arising from:
 - a pension pot where only part of the pot is being used for income drawdown,
 - an arrangement representing benefits for a beneficiary of an original Member.
- An explanation of all terms, benefits and options within this application form can be found at the beginning of this document, or in our **Portfolio Plus Pensions Adding to your Plan** brochure or the **Member's Booklet**. We sent you the **Member's Booklet** when your plan started. It is also available on request.
- To protect you, Aegon and Legal & General from financial crime, we may be required to verify the identity of new and sometimes existing customers. This may be achieved by using reference agencies to search sources of information relating to you (an identity search). This will not affect your credit rating. If this fails, we may need to approach you to obtain documentary evidence to confirm your identity.
- **Before reading and signing the Declaration and Member's Agreement in Part 8 and the Annual Charge Section in Part 9 (if applicable), you should ensure that you read the Portfolio Plus Pensions Adding to your Plan brochure, Terms Sheet, any Illustration(s) provided to you, the Portfolio Plus Funds Guide for Insured Funds (if applicable) and the Aegon Platform terms and conditions and the supplement for Legal & General Portfolio Plus Self Invested Personal Pension and Legal & General Portfolio Plus Pension. If you are considering self-investment, you will also need to read any relevant documentation that your intermediary provides you with. If you do not understand any point, please speak with your adviser for further information.**

Legal & General reserves the right not to accept a transfer 'in-specie'.

Note 4: When splitting a single contribution or transfer value between insured funds, collective investments available from Aegon and other self-invested assets, the requested percentage will first be applied to insured funds. All self-investment charges and the amount to be invested in the Member's SIPP bank account will then be deducted from the balance of the single contribution/transfer. The remaining amount will then be split between collective investments available from Aegon and self-invested assets in the percentages requested. This process does not apply if you are taking income drawdown. Details are available on request.

Any balance to be left on deposit in the product cash facility operated by Aegon is treated as a collective investment. The amount to be deposited into the product cash facility will be deducted from the balance before the investment is made into collectives following the requested percentage split. It will be deducted proportionately from any single contributions and/or transfer value.

For example, a net single contribution of £80,000 (grossed up to £100,000 after basic rate tax relief has been added) is paid. This example assumes basic rate tax of 20% and VAT at a rate of 20%. If the investment required is 50% into insured funds, 25% into collective investments available from Aegon, 25% into self-investment, £5,000 into the Member's SIPP bank account and £3,000 into the product cash facility operated by Aegon, this would result in the following:

50% of £100,000 = £50,000 is invested in insured funds. From the remaining £50,000 deduct:

- the installation charge of £295 plus VAT
- the annual charge of £200 plus VAT (assuming investment into an option A asset)
- the £5,000 that will be deposited in the Member's SIPP bank account.

The remaining £44,406 will be split equally between collective investments available from Aegon and other self-investments:

- £22,203 of which £3,000 goes into the product cash facility and £19,203 into the requested collective investments available from Aegon.
- £22,203 to other self-investment.

This is a very simple example and other charges may apply, for example, if income drawdown is selected. Please see the Portfolio Plus SIPP Terms Sheet for further details of the Member's SIPP bank account, product cash facility and our charges.

The combined value of your investments in insured funds and/or collective investments available from Aegon must be at least £25,000, and be maintained at, or above, this minimum level in order for any other form of self-investment to be held (unless we agree otherwise). For more details please see the Portfolio Plus SIPP Terms Sheet.

For details of the unit trusts and OEICs available from Aegon please ask your intermediary. Other unit trusts, OEICs and UK Real Estate Investment Trusts (REITs) can be bought through our nominated stockbroker, Stocktrade. Please complete details of these in the 'Other self-invested assets' section on the next page.

If you need more space, please use a separate signed sheet of paper and attach it to this application form.

Please read the important notes opposite.

B. SELF-INVESTMENT INSTRUCTIONS To be completed if you wish to make an investment into collective investments available from Aegon and/or other self-invested assets

Automated investment instruction (for adviser use)

Automate investments into your client's pension using our investment strategy instruction form.

An investment instruction is an efficient way to automate your client's pension investments. Once an investment instruction is set up, this will automatically invest all future payments (including lump sum and tax relief) into your client's Portfolio Plus Self Invested Personal Pension in line with your instruction.

You can find the investment strategy instruction form on the documents page of the Aegon website.

Please note: the lump sum investment will remain in your client's Portfolio Plus Self Invested Personal Pension cash facility if there's no investment instruction in place.

Important: By setting up a automated investment instruction, units/shares are more likely to be bought one day later than they would have been without this instruction in place. This means that the number of units/shares bought may be higher or lower than you would have otherwise received, depending on the price they are bought at. Please refer to the 'Portfolio Plus SIPP Terms Sheet' and the 'Aegon Platform terms and conditions and the supplement for Legal & General Portfolio Plus Self Invested Personal Pension and Legal & General Portfolio Plus Pension' for more information. If you already have a automated investment instruction set up, please enter '100%' in the product cash facility box below. If you would like to change your automated investment instruction or set one up for the first time please speak to your intermediary.

Where do you want payments to be invested?

Further instructions

If you are looking to purchase a property, you need to complete the separate 'Potential Property Investment Details' form.

In addition to the above, please attach any documentation, for example discretionary management appointment, and provide written confirmation of any special instructions, for example timescales.

You should complete this part if you wish to nominate a beneficiary or set up a trust. If you have already made a nomination you only need to complete this part if you wish to change who you would like to receive any death benefits if you die. By completing this part you will replace any previous nomination you have made.

However, please note that the nominations for pension pots being used for income drawdown and those not being used for income drawdown are separate. For example, if you have previously made a nomination for your unused pension pot, this will not apply to any pension pot being used for income drawdown and so you would need to complete 6.2 on page 13.

A. UNUSED PENSION POT – nomination of beneficiaries for a pension pot not used for income drawdown

6.1 If you die before you take your benefits and a lump sum becomes available, who do you want it to be paid to? (This is known as a nomination of beneficiary.)

If you want the benefit to be paid to more than one person, please show in which percentages. If there are more than four beneficiaries, please photocopy this page, sign it, and attach it to this application form.

Please note:

The way benefits can be paid if you die depends on a number of factors. Legal & General will pay any death benefits at its discretion taking into account a range of potential beneficiaries.

If you make a nomination, Legal & General will not be bound by this form but will take this into account when deciding who to pay the benefit to.

Under current rules, if you die before age 75, any benefits paid to your beneficiaries will normally be tax free.

If you're aged 75 or over when you die, any benefits paid to your beneficiaries will be taxed in the same way as earned income.

In some circumstances there could be an additional inheritance tax liability.

B. USED PENSION POT – nomination of beneficiaries for a pension pot used for income drawdown**6.2 If you die while taking income drawdown, who would you like the remaining pension pot paid to?**

If you want the benefit to be paid to more than one person, please show in which percentages. If there are more than four beneficiaries, please photocopy this page, sign it, and attach it to this application form.

We will not be able to proceed with this application without one of these requirements.

This agreement is between Legal & General (Portfolio Management Services) Limited, a company registered in England and Wales under company number 02457525, having its registered office at: One Coleman Street, London EC2R 5AA, termed 'Legal & General' in this agreement, and me.

A. I confirm that, to the best of my knowledge and belief, the details contained in this application are full and correct.

A1 Applies to all Scheme Members

By signing this agreement, I agree to comply with the terms and conditions of the Scheme.

- 1) I agree before investing in self-invested assets (other than collective investments available from Aegon) to accumulate and maintain sufficient money in insured funds, and/or in the collective investments available from Aegon, and/or other self-invested assets agreed by Legal & General within the Scheme so that its value is at least £25,000.

As a condition of membership, if I wish to invest in self-invested assets (other than collective investments available from Aegon), I agree that I will not surrender funds from my arrangement(s) within the Scheme unless a balance of at least £25,000 is left invested in insured funds and/or collective investments available from Aegon. This includes surrenders required for the payment of income drawdown unless other assets within my arrangement(s) are insufficient to provide the required amount of income.

I understand that should I fail to observe these requirements, Legal & General will exercise its right to transfer money from my other assets to redress any shortfall. Where there are insufficient liquid funds for the purpose, Legal & General will have recourse to selling investments as detailed in the Portfolio Plus SIPP Terms Sheet. Where the sole asset is a commercial property, Legal & General reserves the right either to sell that property or transfer rental income, over and above the amount required to service a loan, to investments in my insured funds or my investment in collective investments available from Aegon, or other self-invested assets agreed by Legal & General in the Scheme until the total value of the required investment in insured funds, collective investments available from Aegon and/or other self-invested assets is at least £25,000.

I understand that Legal & General will take no action without informing me first.

- 2) I agree to pay fees as requested by Legal & General in accordance with the scale of charges notified to me. These fees will normally be deducted from my Member's SIPP bank account with the Bank of Scotland and where applicable to commercial property from the designated property account. By signing this agreement I agree to the deduction of fees in this manner. Should there be insufficient funds in the accounts at the time fees are due I agree that Legal & General will request payment within 30 days.

Should there be insufficient funds after this time I agree that Legal & General will have recourse to selling investments as detailed in the Portfolio Plus SIPP Terms Sheet to meet the amount due. However, I understand that Legal & General will not take such action without informing me and my intermediary (where applicable).

- 3) I agree not to allow my Member's SIPP bank account or property account (if applicable) with the Bank of Scotland to become overdrawn at any time. Should my account(s) be overdrawn I understand Legal & General will inform me and if I am unable or ineligible to pay in additional contributions Legal & General at its discretion shall have recourse to selling investments as detailed in the Portfolio Plus SIPP Terms Sheet to clear the overdraft.
- 4) I understand that the assets are held by Legal & General (Portfolio Management Services) Nominees Limited as trustee and as such I have no legal interest in any of the assets in my pension arrangement(s). In relation to investment in commercial property I understand Legal & General (Portfolio Management Services) Nominees Limited is the legal owner as trustee of the Scheme. I understand that where I am the tenant I am strictly bound by the terms of the tenancy agreement including the payment of the agreed rental when due and I cannot sublet the property without having obtained agreement in writing from Legal & General. I understand that if I fail to pay the agreed rental when due, Legal & General will begin legal proceedings against me to recover the arrears.
- 5) I understand that at all times all costs incurred by Legal & General and Legal & General (Portfolio Management Services) Nominees Limited in relation to my chosen investment strategy will be charged to my arrangement(s) including instances where I change my mind or, for reasons outside the control of Legal & General and Legal & General (Portfolio Management Services) Nominees Limited, the investment cannot be completed.
- 6) I understand that any investment I make in UK REITs will not directly or indirectly hold an interest for the purposes of enabling me or a connected person (as defined in s839 of the Income and Corporation Taxes Act 1988) of me to occupy or use the property.
- 7) I hereby agree that I will not require the withdrawal of any funds held in respect of me or the payment to me of any income from those funds other than for the payment of benefits to or in respect of me in accordance with and at the time provided by the rules of the Scheme.

If you or your employer are making contributions to the Scheme, some of the details in this application will be the basis on which tax relief is allowed. Please remember that it is a serious offence to make false statements. The penalties are severe and could lead to prosecution.

I confirm that:

- In this tax year I am resident in the UK or am a Crown servant or the husband, wife or registered civil partner of a Crown servant.
- The total contributions that I pay to all Registered Pension Schemes in a tax year to which I am entitled to tax relief (under Section 188 of the Finance Act 2004) will not exceed the higher of the basic amount or my relevant UK earnings in that tax year.
- The information I have given and declarations I have made in this application are, to the best of my knowledge and belief, correct and complete. I also agree this will form the basis of my application.

I agree to tell you in writing if an event occurs, which results in my no longer being eligible for tax relief on my contributions by 5 April in the tax year in which the event occurs or, if later, within 30 days of the event.

A2 Applies to Scheme Members who wish to transfer their pension pot from another pension scheme

1) Applies to the previous scheme trustee/administrator

I authorise and instruct you to transfer funds from the plan(s) as listed in question 4.1 directly to Legal & General (Portfolio Management Services) Nominees Limited as trustee. Where you have asked me to give you any original policy document(s) in return for the transfer of funds and I am unable to do so, I promise to accept responsibility for any claims, losses and expenses of any nature that you may incur as a result of having made the transfer(s) listed in question 4.1.

I authorise you to release all necessary information to Legal & General to enable the transfer of funds to Legal & General (Portfolio Management Services) Nominees Limited as trustee.

Where applicable, I authorise you to obtain from and release to the intermediary named in Part 1 of this application any additional information that may be required to enable the transfer of funds.

If an employer is paying contributions to any of the plans as listed in question 4.1, I authorise you to release to that employer any information in connection with the transfer of funds from the relevant plan(s). Until this application is accepted and complete, Legal & General's responsibility is limited to the return of the total payment(s) to the previous scheme trustees/administrator.

Where the payment(s) made to Legal & General (Portfolio Management Services) Nominees Limited as trustee represent(s) all of the funds under the plan(s) listed in question 4.1, then payment made as requested will discharge the previous scheme trustees/administrator of all claims and responsibilities in respect of the plan(s) listed.

Where the payment(s) made to Legal & General (Portfolio Management Services) Nominees Limited as trustee represent(s) part of the funds under the plan(s) listed in question 4.1, then the previous scheme trustees/administrator will be discharged of all claims and responsibilities only in respect of the part of the plan(s) represented by the payment(s).

2) Applies to the previous scheme trustees/administrator and Legal & General

I promise to accept responsibility in respect of any claims, losses and expenses that Legal & General, Legal & General (Portfolio Management Services) Nominees Limited and the previous scheme trustees/administrator may incur as a result of any incorrect information provided by me in the application form or of any failure on my part to comply with any aspect of the application.

3) Applies to Legal & General

I authorise and request Legal & General to contact the trustees or administrator of my previous scheme and to obtain on my behalf the necessary information concerning my pension benefits.

I authorise Legal & General (Portfolio Management Services) Nominees Limited to accept the transfer payment and understand that on receipt of the transfer payment, Legal & General will apply this sum to my arrangement(s) in the Scheme and that, on acceptance of the transfer payment by Legal & General, the trustees' or administrator's liability to me in respect of the previous scheme benefits ceases.

The banking of the transfer payment by Legal & General (Portfolio Management Services) Nominees Limited does not constitute acceptance by Legal & General of the transfer payment. The transfer payment will only be accepted once Legal & General has received all the necessary information from the trustees or administrator of my previous scheme.

B. Request for the appointment of Aegon and authorisation of the nominated intermediary to provide investment/disinvestment instructions to Aegon (and Legal & General)

I request that Legal & General appoints Aegon as a platform manager to be the custodian to administer some or all of my self-invested assets.

I acknowledge that Legal & General reserves the right to refuse the appointment of a platform manager and/or custodian at its absolute discretion.

I authorise Legal & General to disclose relevant information relating to all of my arrangement(s) to Aegon.

I understand that Legal & General has satisfied itself that Aegon is authorised where relevant to provide all of the necessary services (contained within the 'Aegon Platform terms and conditions and the supplement for Legal & General Portfolio Plus Self Invested Personal Pension and Legal & General Portfolio Plus Pension').

I hereby authorise Legal & General, or its agents including Aegon, to accept any investment/disinvestment instructions for any type of asset within my Portfolio Plus SIPP, that have been provided by the nominated intermediary (the intermediary detailed in Part 1 of this application form, or any other intermediary that I have appointed from time to time by notifying Legal & General). I understand that under this authority Aegon, acting on behalf of Legal & General, will be entitled to act on investment/disinvestment instructions from the nominated intermediary and will not contact me for confirmation of the instruction. I hereby acknowledge that Aegon or Legal & General will not be liable for acting on any investment/disinvestment instructions received from, or purporting to come from, the nominated intermediary.

I confirm that all communications in relation to investment/disinvestment instructions should be directed to the nominated intermediary.

I acknowledge that the assets that will be administered by Aegon will be owned by Legal & General (Portfolio Management Services) Nominees Limited and, therefore, the appointment of Aegon as platform manager and custodian is at Legal & General's absolute discretion and shall be on whatever terms Legal & General in its absolute discretion deems appropriate. I also acknowledge that any agreement between Legal & General and Aegon will state that assets purchased by Aegon must meet the criteria contained within the Scheme rules.

I understand that other than the charges disclosed to me in the Portfolio Plus Pensions Adding to your Plan brochure, the Portfolio Plus SIPP Terms Sheet and the 'Aegon Platform terms and conditions and the supplement for Legal & General Portfolio Plus Self Invested Personal Pension and Legal & General Portfolio Plus Pension', Aegon do not make any additional charges to provide its administration and custodial services.

I acknowledge that Legal & General will not be responsible for investment performance but may enforce specific investment restrictions on the types of assets that Aegon may deal in.

I acknowledge that Legal & General may, subject to a notice period, terminate the relationship with Aegon in certain circumstances by providing written notice to Aegon. I also acknowledge that Aegon may, subject to a notice period, terminate the relationship with Legal & General in certain circumstances by providing written notice to Legal & General.

I acknowledge that I may request the termination of the 'Aegon Platform terms and conditions and the supplement for Legal & General Portfolio Plus Self Invested Personal Pension and Legal & General Portfolio Plus Pension' by providing written notice to Aegon. I also acknowledge that termination, however caused, will take effect when all relevant assets are no longer administered by Aegon but by Legal & General with or without a different platform manager or a discretionary asset manager.

C. Applicant signature

I acknowledge that as an existing customer the Aegon Platform terms and conditions and the supplement for Legal & General Portfolio Plus Self Invested Personal Pension and Legal & General Portfolio Plus Pension is already in force.

I agree to the charges shown on the attached and/or referenced Illustration in Part 7B.

For your own benefit and protection you should read this application form and the **Portfolio Plus Pensions Adding to your Plan** brochure, the **Portfolio Plus SIPP Terms Sheet** and the **Key Investor Information Document** carefully before signing this declaration. These documents summarise the basis of the agreement between us. Detailed information is provided in the **Portfolio Plus Pensions Member's Booklet**, which we sent to you when you started your plan and is also available on request. If you don't understand any point, please ask for further information.
