

# Flexible Violet Lifetime Mortgage

## Limited Edition

Our Flexible Violet Lifetime Mortgage provides your client with the highest LTVs available from Legal & General Home Finance. It's available for clients aged 60 and over **for a limited time only.**

To qualify for a Flexible Violet Lifetime Mortgage, your client must take 80% of the maximum available to them as an initial advance. Any undrawn facility will be available to your client as and when they need it.

## What is it?

Our Flexible Violet Lifetime Mortgage allows your clients to release the money tied up in their property without having to move home or make monthly payments. This product is a loan that is secured against your clients' home, to give them a tax-free cash sum or smaller amounts that they could take as and when they need.

The interest is added to the amount your clients owe each month, meaning that we charge interest on the loan plus any interest already added.

The Lifetime Mortgage is usually repaid from the sale of the property when your clients die or move into long term care.

## Who is it for?

**Our Flexible Violet Lifetime Mortgage is designed for clients who:**

- Are over the age of 60 and are living in England, Wales or mainland Scotland.
- Need to borrow a minimum of £10,000 and take 80% of the available facility as a lump sum.
- Living in their own home with a small or no mortgage.

**It is not suitable for clients who:**

- Would like to sell their property and downsize.
- Have savings or investments that they can consider using instead.
- Have sufficient long-term income which would mean that they could afford monthly payments or may qualify for a personal loan or residential mortgage.
- Claim benefits that supplement their income and may be affected by taking a Lifetime Mortgage.
