“

I'm here to help you feel confident about your financial future, with clear advice that's easy to understand and makes a real difference.

”

Experience

Ciara has over 20 years' experience in financial services. She brings strong knowledge and a calm, friendly approach to every conversation.

As your adviser her goal is for you to feel confident about your own financial future. She will do this by providing clear advice that's easy to understand.

Her focus is on practical advice that's right for you. She aims to help you feel secure and in control of your finances.

Interests

Ciara lives in Bedfordshire with her husband and their two young daughters. Family life is important to her. She enjoys holidays, trips to the theatre, and days out at the local zoo.
