

POLICY SUMMARY.

This policy is provided by Legal & General Assurance Society Limited.

OVERVIEW.

These policies are designed to meet the demands and needs of people who want to help protect against the impact of death or terminal illness or critical illness. The policy could be used to help pay your outstanding mortgage or to help protect your family's lifestyle and everyday living expenses. This Policy Summary is only a brief guide to the cover and exclusions. You will find full details in the Policy Booklet which will form the basis of our contract with you.

WHAT IS COVERED?

You will be covered if before the end of the policy:

- you die
- you choose a policy that includes Critical Illness Cover and you are diagnosed with or undergo a medical procedure for one of the critical illnesses we cover
- you are diagnosed as being terminally ill, and in the opinion of your hospital consultant and our medical officer, the illness is expected to lead to death within 12 months.

We'll pay out your amount of cover in full once. After this happens, the policy will end and you'll no longer have any cover.

WHAT IS NOT COVERED?

You are not covered if you don't give us full and honest answers to the questions we ask you before the policy starts. Please don't assume that we'll contact your doctor to find out your full medical details.

- We won't pay out if, within the first year of the policy, your death is caused by suicide or, intentional and serious self-injury or an event where, in our reasonable opinion, you took your own life.
- We won't pay out your amount of cover if the policy includes Critical Illness Cover and you are diagnosed with a critical illness which doesn't meet our definition.
- We won't pay out your amount of cover if you are diagnosed with a terminal illness which doesn't meet our definition. Terminal Illness Cover can't be claimed:
 - after your death,
 - or if the length of the policy is less than two years.
- We may restrict some elements of cover based on the information that you give us. If we do this we'll tell you what we've excluded in the Policy Booklet under the heading 'What you are not covered for'.
- For a joint policy, we'll only pay the amount of cover once. This may be when the first person dies or has a valid claim. We have a replacement cover option which could allow the other person covered to take out a new single life policy, ensuring they still have some protection in place.
- Life cover policies have no cash value and we will not pay out if you reach the end of the policy without making a valid claim.
- If you stop paying your premiums your cover will end 30 days after the first missed premium.

ABOUT THE POLICY.

YOUR PREMIUMS

Guaranteed premiums

If you are given the option to choose guaranteed premiums, your premiums will remain the same during the length of the policy.

Reviewable premiums

If you are given the option to choose reviewable premiums, your premiums are reviewed every five years and may go up, go down or stay the same. If you choose not to accept the new premium you can reduce the amount of cover to match what you wish to spend.

We'll assess any premium changes fairly every five years and we won't look at your personal circumstances. The factors we look at are:

- number, timing and cost of claims we've paid and claims we expect to pay in the future;
- insurance industry claims experience;
- expected impact of future medical advances; and
- changes to applicable laws, regulation or tax treatment.

If your premium is within 5% of your current premium we won't make any changes. However, any change in premium not taken into account at the review will be taken into account at future reviews. We'll write to you at least three months in advance of the change, explaining the outcome of the review and your options.

- If your premium changes your direct debit will automatically be updated.
- If your premium goes up, you may choose to keep your premiums the same by reducing your amount of cover. You must tell us within 30 days of receiving a review letter from us if you would like to do this. However, you should ensure that the new amount of cover still meets your needs.

Please see the Policy Booklet if you would like further information on how we review your premiums.

Increasing cover

If you choose an increasing policy your premiums will increase in line with the change in the Retail Prices Index (RPI) multiplied by 1.5 subject to a maximum increase of 15% per annum. The RPI provides an indication of inflation on a monthly basis. The RPI measures and tracks the average change in the purchase price of goods and services such as housing expenses and mortgage interest payments.

YOUR COVER

Level cover

If you choose level cover, your amount of cover will stay the same unless you change it.

If the policy is to help repay a mortgage, you need to ensure that your amount of cover matches your outstanding mortgage. The policy may not completely pay off your outstanding mortgage, if you change the mortgage you have in any way and you don't adjust your cover to match your new arrangements.

Decreasing cover

If you choose decreasing cover it is often used to help protect a repayment mortgage. Therefore the amount of cover reduces roughly in line with the way a repayment mortgage decreases.

You need to ensure that your amount of cover matches your outstanding mortgage. The policy may not completely pay off your outstanding mortgage, if:

- you change the mortgage you have in any way and you don't adjust your cover to match your new arrangements.
- the interest rate on your mortgage becomes higher than the rate applied to the policy. The rate will be shown in your Personal Quote or the Policy Booklet.

Increasing cover

If you choose increasing cover this is designed to protect the policy against inflation. Every year, we'll give you the option to increase the amount you're insured for by the changes in the Retail Prices Index (RPI) up to a maximum of 10% of your current amount of cover, without the need for further medical evidence. The RPI is a way of measuring the impact of inflation on family budgets and is set by the Government.

Your premium will increase at a different rate to your amount of cover because it's indexed by the change in the RPI multiplied by 1.5 up to a maximum of 15% of your current premium. This takes into account the fact that the likelihood of claiming increases as you get older.

If the changes in the RPI are 1% or less then both your premium and amount of cover will stay the same until the next review.

If you decide not to increase the amount you're insured for, we won't offer you this option again.

If, after you have applied for the policy, we have to increase the premium, this type of policy will not be available to you and we may offer you an alternative.

BENEFITS FOR ALL POLICIES.

The following benefit(s) may have eligibility criteria and restrictions that apply.

ACCIDENTAL DEATH BENEFIT

Included at no extra cost.

WHAT IS COVERED?

We'll cover you from when we receive your application, for up to 90 days or until we accept, postpone or decline your application. This means that if you die due to an accident during this time, we'll pay out the amount you've asked to be insured for, up to a maximum of £300,000 for all applications.

The benefit will be paid out if the person, or one of the persons covered sustains bodily injury which is the sole cause of death and if the death occurs within 90 days of such an accident.

WHAT IS NOT COVERED?

We won't pay out if death occurs from:

- Suicide, intentional and serious self-injury or an event where, in our reasonable opinion, you took your own life.
- Taking part or attempting to take part in a dangerous sport or pastime.
- Taking part or attempting to take part in any aerial flight other than as a fare paying passenger on a licensed airline.
- Committing, attempting or provoking an assault or criminal offence.
- War (whether declared or not), riot or civil commotion.
- Taking alcohol or drugs (unless these drugs were prescribed by a registered doctor in the United Kingdom).
- Accidents that happened before you applied.

We don't provide this benefit:

- If we have been told that the application is to replace an existing policy with us while cover is still provided under the existing policy.
- From the date you tell us that you no longer want the application to proceed.

Your lump sum will be paid only once either under the Accidental Death Benefit, Free Life Cover or the policy itself.

FREE LIFE COVER

Included at no extra cost if you are moving home .

WHAT IS COVERED?

We'll cover you if you die between exchange of contracts and completion of your property purchase up to a maximum of 90 days, provided you are accepted on standard terms and we have everything we need to start your policy.

Your Free Life Cover will end as soon as the policy starts.

You'll be covered for the lower of your proposed amount of cover or the amount of your mortgage, up to a maximum of £300,000.

If you live in Scotland, you'll be covered between completion of missives and your date of entry.

WHAT IS NOT COVERED?

You won't be accepted for Free Life Cover if you are 55 years old or over. For joint life policies you both need to be under this age for Free Life Cover to apply.

We won't provide cover if you have another policy with any provider covering the same mortgage.

Your amount of cover will be paid only once either under Free Life Cover, Accidental Death Benefit or the policy itself.

WAIVER OF PREMIUM

Optional, must be chosen at the start of the policy and will be an additional cost.

WHAT IS COVERED?

You won't have to pay your premiums after 26 weeks if you're too ill or incapacitated due to sickness or injury to do your normal job. If you're not in work, we'll use Specified Work Tasks (see section headed Specified Work Tasks) to see whether or not you have to pay your premiums.

WHEN IS IT NOT AVAILABLE?

You won't be able to include Waiver of Premium if:

- You are 55 years old or older when your application is accepted.
- After assessment, we have had to increase your premium.
- We've applied an exclusion (something we'll not cover you for).

CAN I INCREASE MY COVER?

You can apply to increase your cover at anytime. Usually, changes to your amount of cover will be assessed at the time. However, if the 'Changing your policy' section is shown in your Policy Booklet then you can increase your cover, for certain life events, without the need to provide us with further medical information. Please see your Policy Booklet for further information. Eligibility criteria apply.

CAN I MAKE CHANGES?

You can make changes to the policy. Please talk to us and we'll consider your request and let you know if what you're asking for is possible and what your new premium will be. If you make any changes to the policy then a new policy may be set up and different terms and conditions could apply.

WHAT HAPPENS IF I MOVE ABROAD?

If you move abroad during the length of the policy, please check the Policy Booklet, as your policy may be affected.

ARE PAY OUTS TAXED?

Any pay outs we make should be free from UK Income Tax and Capital Gains Tax. The Government may change this tax position at any time. If the policy is written under a suitable trust, the amount of cover payable on death should not form part of the estate for Inheritance Tax purposes. If the policy is not written in trust, the amount of cover payable will normally go into the estate and Inheritance Tax may apply.
