

Can I submit a 'life of another' application online?

You can select 'life of another' in the Trust and ownership of benefits section.

1 Decision Outcome

Within the Decision Section, answer yes to the question "Do you wish to place any product under trust or add a policy owner?"

Health and Lifestyle for Customer One [Edit](#) ✓

Confirm Your Details [Edit](#) ✓

Decision

If changes are made to the application that impact the underwriting decision, Legal & General may need to ask you some further underwriting questions when you submit your application.

Products for Mr Customer One

1. Life Insurance with Critical Illness Cover - Standard terms, premium **£18.20** per month Terms accepted ✓

Information on how we reach an underwriting decision can be found in our [Underwriting Explained](#) (opens in a new window) brochure, which is available from your usual Legal & General contact. For more information on what happens next please refer to our [What Happens After You Apply](#) (opens in a new window) leaflet.

Do you wish to place any product under trust or add a policy owner? **1**

Yes No

CONTINUE

2 Click **Update trust/ownership**. The 'Trust and ownership of benefits section' will be expanded.

Trust and ownership of benefits

Products for Customer One

1. Life Insurance with Critical Illness Cover **2** [Update trust/ownership](#)

To be placed under trust: No Trust form received: No Other owner: No

1. Life Insurance with Critical Illness Cover for Customer One

A policy can either be placed under Trust or owned by someone else. Please select the required option.

Update trust

Is it your intention to put this product under trust? (optional)

Yes No **3**

Ownership of Benefits

If the policy owner is not the person to be covered they must be over 18 and must have an insurable interest in the person to be covered. Only Life Insurance and Critical Illness Cover can be owned by someone else.

Other policy owner (optional)

Please select **4**

UPDATE OWNER **CANCEL**

3 Update trust

A policy can either be placed under Trust or can be owned by someone else. Therefore, if you wish to select life of another, you can answer 'No' to the trust question.

4 Ownership of Benefits

From the drop down menu select if the policy is to be owned by either another individual or a business and then complete the required details.
