

IMMEDIATE COVER.

If cover is required urgently, Immediate Cover may be able to provide this whilst your life cover policy is being assessed.

WHAT IS IT?

Immediate Cover is a benefit we offer at no extra charge, if cover is required urgently. It is a benefit that could pay out if you were to die before your policy starts, whilst we are obtaining the necessary evidence. Immediate Cover is available on our Life Insurance and Life Insurance with Critical Illness Cover but not on our Whole of Life, Relevant Life, Income Protection Benefit or Family and Personal Income Plans.

HOW DO I REQUEST IMMEDIATE COVER?

You will need to complete the Immediate Cover request form (on page 4 of this leaflet), the application form and a direct debit mandate (DDM). If the requested amount of cover is between £2,000,000 – £3,000,000 then we will also require the customer to complete a financial questionnaire (Personal or Business Assurance questionnaire, whichever is applicable).

IS IMMEDIATE COVER AUTOMATICALLY AVAILABLE?

Acceptance of Immediate Cover is not automatic or guaranteed and the cover may be refused by our underwriters. You will be told if Immediate Cover has been confirmed or declined.

There must be a legitimate business need e.g. key person, business loan, management buyout, share protection or partnership cover, venture capital investment or a personal loan or mortgage.

No other similar protection covering the same need must be in force or applied for.

HOW LONG IS THE COVER FOR?

Immediate Cover is available for a maximum of 60 days from the date of confirmation of cover from our underwriting department or until underwritten if earlier.

Once the policy has been fully underwritten it must have a policy start date of the same day that Immediate Cover was accepted.

WHAT ARE THE LIMITS FOR IMMEDIATE LIFE COVER?

The amount of cover must be between £100,000 and £3,000,000.

WHEN WOULD THE BENEFIT PAY OUT?

Immediate Cover covers death only (not critical or disability).

WHEN WON'T THE BENEFIT PAY OUT?

We won't pay out if death occurs from:

- Suicide, or intentional and serious self-injury or an event where, in our reasonable opinion, the customer took their own life;
- Hazardous activities (examples are shown on the policy application form);
- While the customer is outside the UK.

Cover will cease immediately without notice if underwriting reveals any additional risk factor(s).

The usual policy terms and conditions still apply.

We have the right to investigate any claims and may not pay a claim where full and accurate information has not been given. If the financial evidence does not support the amount of cover requested the amount of cover may be reduced.

Paper applications (not electronic applications)

Immediate Cover will lapse (if granted) if the following are not submitted within five working days:

- the application,
- any normal submission form,
- the completed Direct Debit Mandate, and
- a copy of the form confirming Immediate Cover granted.

Please note that in the event of a claim, we'll only pay out on one of the following, Accidental Death Benefit, Free Life Cover, Immediate Cover or the policy applied for, not on all four.
