

GIFT SCHEME – DISCRETIONARY TRUST.

IMPORTANT NOTES – before completing the Discretionary Trust, please read the following notes.

1. This documentation has been produced for consideration by you and your legal advisers. The legal and tax effects of the Trust will depend on your individual circumstances and Legal & General (as defined in clause 11.4 of Part B of the Trust) and its advisers accept no responsibility for ensuring that the Trust meets your requirements.
2. Ensure that you fully understand the terms of the Trust and how it works: see further the Completion and Technical Guides. If you are in any doubt about the terms, it is your responsibility to seek legal or tax advice as appropriate.
3. Ensure that you have read and understood all the literature relating to your chosen investment for this Trust.
4. It is desirable to supplement the Trust with a letter of wishes to provide guidance to the Trustees.
5. The creation of the Trust will be a chargeable transfer for inheritance tax purposes and it is therefore important that the amount put into the Trust does not exceed your available nil rate band otherwise tax will be payable.
6. Please note that Legal & General will only accept instructions from Trustees who have had their identities verified. We may need to also confirm the identity of other individuals relating to the Trust. We may do this by using reference agencies to search sources of information; this will not affect credit ratings. If this identity search fails, we may ask the parties for documents to confirm their identities. By signing this Deed, all parties to this Deed have consented that we can verify their identity and that, if required by Legal & General, the Trustees will take all reasonable steps to obtain for Legal & General evidence of identification for any of the Beneficiaries of the Trust.
7. Legal & General has drafted this Trust to reflect the law as at 1 September 2010. Legal & General and its advisers cannot accept any responsibility for loss, damage or other claim that may arise from the use of this Trust or the way in which you complete it. We therefore strongly recommend that you consult your own legal or tax adviser before proceeding.
8. Use CAPITALS and black or blue ink throughout. If you make a mistake while completing the Trust, please correct the error by crossing out (do not use correction fluid) and the Settlor and the Trustees should initial the change.
9. **You must also complete the Trust/Entity Self-Certification Declaration Form and send this to us together with your completed Deed.**
