

## Support for your employees when they need it most

---

Our most complete **Group Critical Illness Cover**, supporting your employees and their families

# Providing financial support for your employees when they need it most

The diagnosis of a critical illness is a devastating reality for thousands of working age adults each year. It can lead to extended absence from work, along with unforeseen costs.

Serious illnesses such as cancer, stroke and heart attacks account for the second largest cause of absences from work. The good news is that advances in medicine and technology mean more people are surviving life threatening illnesses or injury.

Our Critical Illness Cover has been designed to help you protect your employees and their families. Should they suffer from a life changing illness or injury that's covered under our policy, they'll receive a tax-free lump sum.

The payment could help your employee pay for a range of expenses following the diagnosis of a serious illness. This might be to pay bills, meet unexpected medical costs, or put towards a well-earned holiday once treatment is over.

Our cover provides more than just financial help. All our policies come with added benefits, such as an Employee Assistance Programme (EAP) to help support employee wellbeing.

## Employees' biggest worries if affected by critical illness or disability\*

33%

Loss of home.

31%

Family not being financially protected.

29%

Impact on family's wellbeing.

\*Legal & General's 'Deadline to Breadline report' May 2017. Our research, which was supported by analysis from Censuswide, draws on a survey of 2,027 employees representative of the UK adult population.

# The need for Group Critical Illness Cover

**2.5 million**

people in the UK are living with cancer, **900,000** of who are of working age (16-64).

**Over 1.2 million**

stroke survivors in the UK, with **130,000** survivors still in the workforce.

**2.3 million**

people suffer with coronary heart disease, with **240,000** currently in employment.

**More than 100,000**

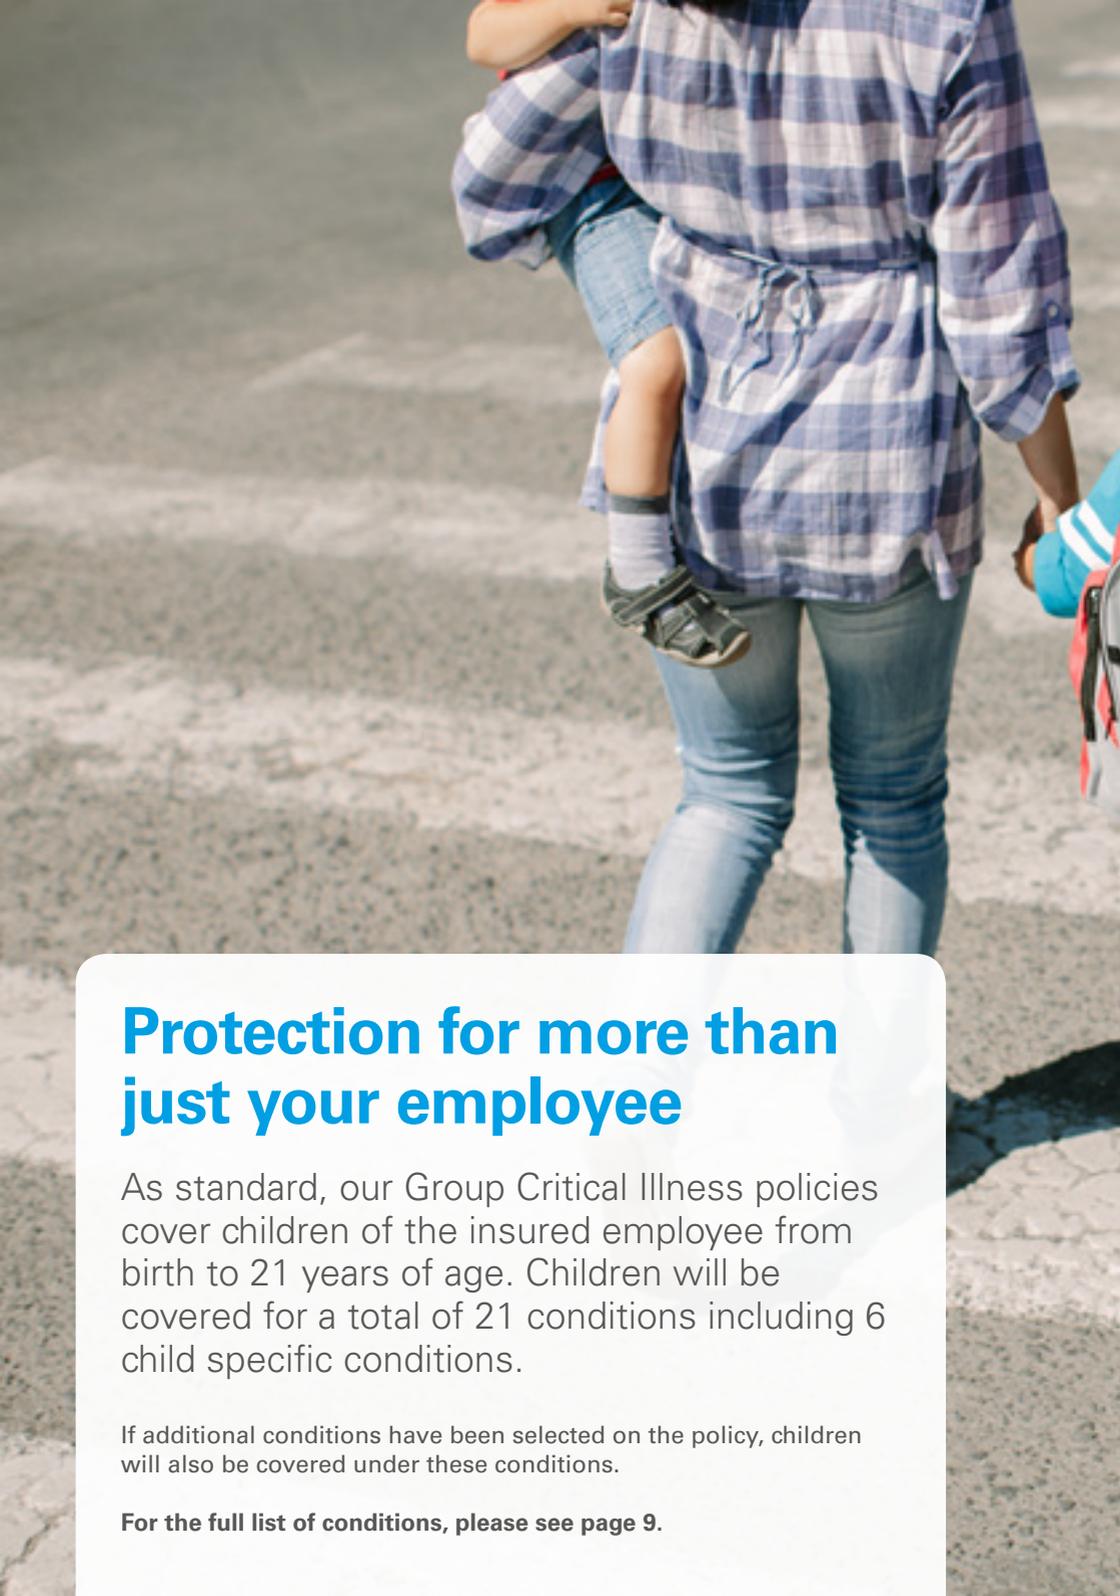

people currently live with multiple sclerosis, with **30,000** still working.

# Our Group Critical Illness Cover at a glance

Our cover can provide you and your employees with vital financial cover and support if impacted by the diagnosis of a serious illness.

- Various cover options with either a multiple of salary or lump sum offered up to 5x salary or £500,000, whichever is lower. The majority of claims are subject to minimum survival period of 14 days.
- Flexible cover around your needs. You can choose levels of cover to suit your budget, insure all or a defined group of employees, choose a benefit termination date up to age 70 and offer employees the option to personally select and pay for cover.
- Simplified underwriting - most employees can be insured without the need for lengthy medical underwriting. We do this by applying a pre-existing and related condition exclusion.
- 15 core conditions provided as standard for all policies.
- 26 additional conditions can be covered for an additional cost.
- Automatic cover for children of the insured employee, from birth up to age 21 at no extra cost. They'll be covered for a total of 21 conditions (including 6 core child only conditions) as standard. In addition to being covered by the core and core child conditions if additional conditions have been selected children will also be covered for them.
- Spouse, partner or registered civil partners cover can be provided for an additional cost.
- 24/7 access to support through our award-winning Employee Assistance Programme provider for all employees, not just those insured by our Critical Illness Cover.

A photograph showing the back of a person wearing a blue and white plaid shirt and blue jeans, carrying a child on their back. The child is wearing a blue shirt and sandals. The background is a blurred outdoor setting with a paved surface.

## Protection for more than just your employee

As standard, our Group Critical Illness policies cover children of the insured employee from birth to 21 years of age. Children will be covered for a total of 21 conditions including 6 child specific conditions.

If additional conditions have been selected on the policy, children will also be covered under these conditions.

**For the full list of conditions, please see page 9.**

# Conditions we cover

Having enhanced our cover, we can be there for your employees and their families when they need us most.

# More than just a financial benefit

Our Group Critical Illness Cover comes with built-in support and advice on a range of topics, giving you the confidence that your employees and families are protected.

## Worklife Solutions

Suffering from a critical illness or injury can have both an emotional and financial impact. That's why we've worked hard to develop Worklife Solutions with our partner Health Assured.

Worklife Solutions is more than an Employee Assistance Programme (EAP). It is a comprehensive health and wellbeing toolkit to help keep your business functioning.

For group critical illness cover policyholders, many of the benefits under Worklife Solutions are available free to all employees, including those not covered.

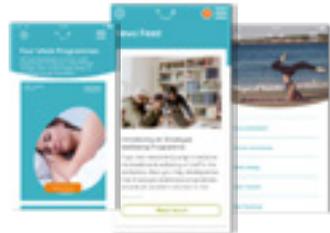

## How Worklife Solutions benefits your employees

- Unlimited access to support for emotional and practical problems, available 24 hours a day, 365 days a year.
- Legal information service.
- Medical information service.
- Access to the UK's largest collection of wellbeing resources via the Health e-hub app and on-line portal.

health assured

We're proud to work with Health Assured, who were voted best provider of Workplace Wellbeing Services at the Health Insurance Awards 2017 and 2018.

# Need to know

There are a number of ways critical illness cover can support both you and your employees.

## Who we can cover

The policy can cover employees and equity partners. Equity partners are partners who have an equity share in the firm and whose income from the firm is taxed as trading profits.

For an extra premium, we can also cover spouses, partners and registered civil partners of the employees.

We'll automatically include cover for the children of all the insured employees at no extra cost.

## What can't be covered?

We won't pay benefit for any specified condition that was diagnosed before cover started, which we refer to as a pre-existing condition. Also, we won't pay benefit for an insured condition that occurs within two years of cover starting and results from a related condition. The related condition could have already been treated, symptoms have been suffered, advice has been sought or there was an awareness of its existence.

Though our Critical Illness Cover encompasses many critical illnesses, it's important to note that it doesn't cover all of them – for instance, not all cancers are included in our plans. Limitations and exclusions apply. Please see our [technical guide](#) and [Critical Illness Cover quote appendix](#) on our website for more information on what we can cover and how we assess claims.

## Why Legal & General

With over 85 years' experience, we look after 4,500 group protection policies and provide cover to around two million employees.

### **Award-winning Employee Assistance Program provider**

24/7 access to our Employee Assistance Programme for all employees – even those not insured by our policies.

Provided by our award-winning partner Health Assured, your employees can access a range of emotional support and medical information at their time of need.

### **History of paying claims**

We aim to pay all valid claims without delay. The tax-free cash lump sum is normally paid within five days, once we've confirmed all our claims requirements.

### **Enhanced Cover**

Having enhanced our cover, we can be there for employees and their families when they need us most.
