

Introducing the L&G app

The L&G app puts your workplace pension in your pocket, making it easier than ever to manage your pension whenever and wherever you need to.

Take control of your financial future

The L&G app is packed full of features to help you manage your retirement savings.

Safe and secure

Use fingerprint, face or PIN technology to log in securely.

Easy to use

Check your valuation, contributions and investments in just a few taps.

On the go

Instant access to your pension, wherever and wherever you need it.

How to get started

Register for an online account to get started. You can do this at the same time as setting up the app – just follow these simple steps:

1. Download the app by visiting the App Store or Google Play and searching for 'L&G'. Or scan the QR code.
2. Log in or register for an online account by visiting legalandgeneral.com/mya
3. Set up your PIN and any security features.

Useful features

See how much your pension is worth

Get a quick view of your pension pot and regular contribution amount, or access your full transaction history.

See how your investments are performing

Check how your investments are performing and make changes to how your pot is invested.

Keep your details up to date

It's easy to update your personal details if anything changes. You can also nominate or change your beneficiaries and manage your communication preferences.

If you need assistance while using the L&G app, please use our help centre.

Boost your financial fitness

Access tools and guidance to help explain your workplace pension and plan for your retirement. We'll be adding more features to this soon, including introducing a range of financial wellbeing tools.

Get a clear view of your finances

Juggling multiple accounts and cards? Connect your current accounts, savings, credit cards, even other pensions to the L&G app – and you'll get a clear picture of your finances in no time.
