

Pull up a chair and have your say

Take a virtual seat at the table in the companies included in L&G's default pension funds when you invest in them.

With Tumelo, it's easy to voice your opinion on the important issues that matter to you.

Cast preference votes on the companies included in L&G's default pension funds when you invest in them

- Scan the QR code to log into your online account.
- Select 'Manage my pension' then scroll down and select 'Your investments', then 'visit Tumelo' shown alongside the fund name.
- Create your Tumelo account and start voting.
