Overview of your policy

- Your policy will pay a monthly benefit (a commuted lump sum can be chosen at claim stage) if you die during the term of the policy.
- If you're diagnosed with a terminal illness with less than 12 months to live, the policy will pay out early. This means you don't need to worry about money at an incredibly difficult time depending on the cover you have chosen.

Access to Wellbeing Support

Free access to Wellbeing Support gives you and your family access to emotional and practical support from RedArc Assured Ltd.

It's there to help you with a wide range of things, including:

- Mental health support, including access for children at home suffering from anxiety or stress
- Bereavement counselling for you, your partner and any children living at home
- Helping you understand your diagnosis and answering questions about your diagnosis and next treatment steps

Benefits of your plan

- The monthly benefit could be used by your family to help pay bills and carry on living in their home
- Provide your family and loved ones with financial security when you're not around
