

# Our Live webchat is now open Saturdays

---

Open when our partners need us the  
most

We have now opened our live webchat service on a Saturday from 9am – 1pm accessed through OLPC, the only channel available outside core working hours, allowing you greater flexibility to discuss New and Existing business queries

We believe that you should be able to interact with us in a way which is convenient for you. We believe that helping you achieve fast resolutions in a cost-effective way is important.

**Making it easier for you to do business with us.**

- **No need to complete data protection checks:** Launching a live chat through Agent Hub means your connection is verified.
- **Improves the service you can offer your customers:** You no longer need to keep your customer on hold or arrange to call them back whilst you call through to us.
- **Multi-Skilled consultants:** Our Web Chat consultants are trained in both new and existing business processes.
