Proposal for Group Critical Illness Cover

If the information you give in this form is different from or changes the information on which we based the quotation, we may have to revise or withdraw the quotation under the terms of the quotation guarantee. If we've agreed to provide cover before receiving a completed proposal form, the terms, conditions and the basis noted on our accepted quotation will apply. This is until we agree to any changes and revised terms have been accepted in writing. This does not affect our right to cancel a contract from outset if you fail to pay the premium or fail to disclose material information

The **Group Critical Illness Cover technical guide** is an important document you must read to make sure the policy meets your needs and you understand what you're buying. It includes details of the benefits and when we will and will not pay a claim. Please read this carefully before you complete this form and contact us, or your financial adviser, if you've any questions.

Please fill in all sections and use a separate sheet if you need more space. If you don't give any of this information or you misstate any information, this could affect payments of the benefits under the policy. If you're not sure whether information is relevant, please tell us anyway. A copy of the completed form will be available on request.

Sanction Checks

This **policy** is not suitable for any entity that is, or is at risk of being, sanctioned under any United Kingdom, European Union, United States of America or United Nation sanctions programs, or which has any related entities (such as a parent or subsidiary), employees or officers that are or maybe subject to such a program.

This proposal form uses technical and defined terms. We've shown these in **bold**. You can find the definitions of these words in the technical guide glossary. Please ask us if you have any questions about these.
