

Proposal form for Group Life policies:

- **Registered Life Assurance Benefit**
- **Dependants' Pensions Policies**
- **Excepted Group Life Policies (EGLP)**

If the information you give in this form is different from or changes the information on which we based the quotation, we may have to revise or withdraw the quotation under the terms of the quotation guarantee. If we've agreed to provide cover before we've received a completed proposal form, the basis and terms and conditions applicable to that cover will remain as in the accepted quotation. This is until we agree to any changes and revised terms have been accepted in writing. This does not affect any right to cancel a contract from the outset if you fail to disclose material information.

The [Group Life and Dependants' Pensions technical guide](#) is an important document you must read to make sure the policy meets your needs and you understand what you're buying. It includes details of the benefits and when we will and will not pay a claim. Please read this carefully before you complete this form and contact us, or your financial adviser, if you've any questions.

Please fill in all sections and use a separate sheet if you need more space. If you don't give any of this information or you misstate any information, this could affect payments of the benefit under the policy. If you're not sure whether information is relevant, please tell us anyway. A copy of the completed form is available on request.

Important

This proposal form uses technical and defined terms. We've shown these in **bold**. You can find the definitions of these words in the technical guide glossary. Please ask us if you have any questions about these.
