Definitions

Age restricted: Property which can only be purchased (and resided in) by an individual who meets the minimum age criteria within the lease or planning restriction.

Agricultural use: Any part of the property used for farming (arable or pastoral), providing any form of commercial income or having livestock on the property. This may include renting of land to other parties. Small holdings are included in this definition.

Annex: An annex forms part of the main house (as opposed to a self-contained unit which does not). It will provide all of the amenities needed for independent living including kitchen and bathroom, as well as a bedroom. It will also have its own access and can be secured as a separate unit. It shares gas, electric and water supplies with the main property. We will accept properties where the annex is occupied but only with a maximum of two family members or a live in carer..

Bankruptcy: Applies to an individual where he/she is subject to a bankruptcy order made by the court pursuant to an application by the individual or their creditor(s) (owed £5000 or more). Details of individuals subject to a bankruptcy order will be added to the Individual Insolvency Register. A confirmation of bankruptcy discharge does not necessarily mean that all the debts have been cleared. It may be that the trustees in bankruptcy have registered their charge against the property.

Charging order: Where a creditor has applied to have a County Court Judgment (CCJ) or other court order secured against a property and this has been granted by the county court. Following the granting of a charging order the creditor could further apply for an order of sale to enforce the sale of the property in order to recover their debt.

Debt relief order (DRO): An alternative to bankruptcy for debtors who owe less than £20,000, have few or no assets (less than £1,000 and not homeowners) and little disposable income (less than £50 a month). Lasting/enduring power of attorney (POA): The creation of an enduring power of attorney, or EPA, is a legal process by which an individual hands over to someone else the power to decide what is done with their financial affairs and property. However, the cut-off to make an EPA was the 1st October 2007. From this date, it has not been possible to apply for an EPA and instead individuals will have had to apply for a Lasting Power of Attorney instead. All EPAs made before the cut-off date remain valid. This document can be used before registration by the Court of Protection, however it is essential to ensure that the EPA has not subsequently been withdrawn.

A lasting power of attorney (LPA) is a legal document that lets the individual (the 'donor') appoint one or more people (known as 'attorneys') to help the individual make decisions or to make decisions on their behalf. This document MUST be registered by the Court of Protection before use.
