

Maximise your investment in their potential

Like children, investments need nurturing to help them grow effectively

You and friends and family can contribute regularly from as little as £20 a month by direct debit, or top up whenever you like with a lump sum of £100 or more.

Or you can use any combination of lump sums or regular contributions, as long as you don't exceed your child's annual limit.

Invest up to £4,368 in a Junior ISA for the 2019/20 tax year.

To make the most of their investment potential, you can use your child's full allowance every year – but if you miss it, the opportunity will be gone for another year.

Friends and family can all help to contribute too. We've designed the tear-off coupons to make it even easier for them to do this.

Legal & General

Share with family and friends

Whether it's for a birthday, special treat or just to prepare for their future, the cards below contain all the information your family and friends need to contribute. Simply tear them off, fill in your child's details and pass them on.
