* These companies have met more than one FWPL exclusion criteria

A methodology change of the external data provider extends the definition of indirect and implicit human rights violations to incorporate states and corporates. LGIM will be reviewing its FWPL methodology in 2024 to clarify the direct nature of UNGC violations with respect to human rights.

LGIM's Future World Protection List

Key risks

The value of an investment and any income taken from it is not guaranteed and can go down as well as up, you may not get back the amount you originally invested.

Important information

The views expressed in this document are those of Legal & General Investment Management Limited and/or its affiliates ('Legal & General', 'we' or 'us') as at the date of publication. This document is for information purposes only and we are not soliciting any action based on it. The information above discusses general economic, market or political issues and/or industry or sector trends. It does not constitute research or investment, legal or tax advice. It is not an offer or recommendation or advertisement to buy or sell securities or pursue a particular investment strategy.

No party shall have any right of action against Legal & General in relation to the accuracy or completeness of the information contained in this document. The information is believed to be correct as at the date of publication, but no assurance can be given that this document is complete or accurate in the light of information that may become available after its publication. We are under no obligation to update or amend the information in this document. Where this document contains third party information, the accuracy and completeness of such information cannot be guaranteed and we accept no responsibility or liability in respect of such information.

Third Party Data: Where this document contains, or contains content which derives from, third party data ('Third Party Data'), we cannot guarantee the accuracy, completeness or reliability of such Third Party Data and we accept no responsibility or liability whatsoever in respect of such Third Party Data. For the avoidance of doubt, Third Party Data may include securities data sourced to implement the Future World Protection List from any party, including an index provider, which is external to Legal & General.
