Looking for
more options
when it comes
to care?

There is a way.

Consider a lifetime mortgage today.

Whether it's home adaptations, in-home care or something else entirely, if you're a homeowner aged 55 or over, you could have more choice by releasing cash from your home with the help of a lifetime mortgage.

A lifetime mortgage is a loan secured against your home and allows you to:

- **Release £10,000+ tax-free cash**
- **Have a fixed interest rate for life**
- **Continue owning your home**
- **Keep part of the property value to be left as an inheritance**

Our specialist advisers can talk you through all your options. They'll even tell you if it's not right for you – for example, if you have cheaper ways to borrow money.
