

We've helped over 84,000 customers release equity from their homes

That's why, as one of the UK's leading specialist mortgage providers we understand that these are challenging times – and that sometimes you may need a little more.

So whether it's to top up your income, help a family member or something else entirely, your home could help – with a Legal & General Lifetime Mortgage.

Designed exclusively for homeowners aged 55 and over, it's a loan secured against your home that lets you release tax free cash to use as you want.

We appreciate it's a big decision: it could affect any means-tested benefits and the size of your estate.

You may have cheaper ways to borrow money. And if you give away the money, any recipients may have to pay tax in the future.

That's why our specialist advisers are on hand to help you review all of your options and answer your questions, by phone, so that you can make an informed decision.
